

GRADUATESHIPS GUIDE - 2023/2024 EDITION

THE BEST DANISH GRADUATE PROGRAMMES

Introduction

WE ARE PLEASED TO PRESENT THE MOST COMPREHENSIVE OVERVIEW OF ALL GRADUATE PROGRAMMES IN DENMARK.

Creating complete transparency on the graduate market remains our core objective and is now more important than ever with the influx of new programmes. We see this guide as the first step towards creating increased transparency for graduates and job-seekers in Denmark looking to break into a graduate programme.

Finally, this guide could not have been completed without the help of the companies and organizations that offer graduate programmes. Thank you for being so willing to cooperate and share insights on your graduate opportunities.

Palle Broe, Founder & Chairman

"In an era when **only 12% of candidates** put trust in what employers say about themselves, companies must increasingly rely on **their employees and third parties** to be their **spokespeople on the employee experience.**"
